

## Press Release

*From June 13, 2009, we celebrated the inauguration and opening of Staytosee's "Diocletian's Rooms" in the heart of Diocletian's Palace in Split. Along with the rooms themselves, we offer a new website for dreamers and romantics: an innovative way to live within the past and present of Dalmatia, a fascinating land of sea and islands along with art, culture and history.*

### **Staytosee: a new point of view in the centre of Split**

From June 19, 2009 it is possible to take a starring role in the daily life of **Split**: enjoy a unique perspective from our exclusive "**rooms-to-rent with a view**", in proximity to Peristil square, St. Duje Cathedral and the bell tower, within **Diocletian's Palace** in Split's historical center.

We introduce a new way of being: combining the idea of staying still in one place, with your eyes open to new discovery.

A holiday in this location provides an overview on cultures and civilizations of the present and the past: 1700 years of history in Split's historical center, among the ancient Roman ruins, Egyptian sphinxes and Venetian mansions.

From your balcony, observe the boats arriving at the shoreline, cradled by the sound of evening concerts and voices from the ancient Luxor Cafè.

**"Our guests want more than just a room. They want a way of being, an alternative, a microcosm, a personal island in one of Europe's most beautiful, ancient cities"** – this is the way that Kristina Radman, executive sales manager, describes the philosophy of Staytosee, a new service organized and managed from Diocletian's Palace in Split, by GH Dalmazia: a territory-based member of GH Impresa Turistica.

**"Diocletian's Rooms"**, elegantly furnished and totally renovated in the spring of 2009, are named after the Imperial Palace's monumental gates: Aurea Gate, Ferrea Gate, Argentea Gate and Aenea Gate.

**"Diocletian's Rooms"** are completed by the room E-Marul. Located in the perimeter of the Palace, in a characteristic street full of clubs, the room can accommodate up to 7 people and is ideal for travelers who want to experience the nightlife Split.

All the rooms are equipped with air conditioning and wi-fi access. These rooms are noteworthy not only for their privileged position, but their advantageous prices. A dream for all budgets, dedicated to the most romantic travelers.

The new brand **Staytosee** is linked with **Sailtosee**, the nautical agency of GH Impresa Turistica, based in Dalmatia.

Our office in Split offers constant, direct assistance and services to its travelers and clients: Kristina and Meri work with passion and professionalism 7 days a week, speaking 3 languages.
